

PLANET GRANITE FULL-TIME ROUTE-SETTER JOB DESCRIPTION

Routesetters are responsible for creating and maintaining the excellence of Planet Granite's core product. Routesetters must have a greater understanding of climbing, allowing them to create a quality, fluid and universally enjoyed product that meets our member and guests' needs. Routesetters report directly to The Head Setter of their home base gym, or The Director of Setting, and are responsible for managing the workflow of their day in an efficient and productive manner.

JOB RESPONSIBILITIES (including, but not limited to):

- Full-Time Routesetter
 - Must work a minimum of 30 hours/week or 120 hours per month
 - Full time routesetting is typically 3-4 days a week. Additional hours to meet full time hourly requirements involve other gym responsibilities (Front Desk, Coaching, Facilities, etc).
 - Must be available to travel to all 3 Bay Area locations, with a home base at one location.
- Part-Time Routesetter
 - Sets 1-3 days per week as needed
 - Be available to work at 2 locations. Ability to set at all 3 preferred.
- Daily Tasks
 - Arrive at work on-time and ready to work
 - Set-up setting area (boundaries, , fixed lines, etc)
 - Strip wall sections
 - Wash and sort dirty holds
 - Meet the setting quota for each day (# of routes/problems, meet efficiency)
 - Maintain PG's quality of product and aesthetic standards
 - Maintain a tidy setting area throughout the day
 - Forerunning
 - Climbing and grading routes/problems
 - Be open to feedback and constructive criticism from peers and members.
 - Be willing to make the necessary changes to meet PG's quality and safety standards
 - Ensure all routes and boulders are safe and all routes and problems can be executed in a manner that is appropriate for the desired grade and are accessible to a wide range of climbers.
 - Area clean up
- Additional Duties
 - Assist with Anchor & Safety Inspections
 - Setting the system board
 - Removing, cleaning and re-mounting hangboards
 - Filling in with additional routes/problems as needed.
 - Re-taping & maintaining the climbing area aesthetics.
 - Set for and work setting related events (PG events and competitions)
 - Attend required setter meetings
 - Any additional projects as assigned.

QUALIFICATIONS

- Proficient in lead climbing
- 2-3 years setting experience preferred.

- Ability to climb 5.12+ and V7
- Strong desire to be a better climber and setter by gaining a greater understanding of climbing movement
- Encourage and follow safe practices at all times
- Strong work ethic, self-motivated, workflow management, and attention to detail
- Work well in a team environment
- Bring a positive attitude to work every day
